

BATTERY-FREE GLASS SCALES

These instructions are for your safety. Please read through them thoroughly before installation and retain for future reference. Failure to follow them could cause injury and/or property damage.

These instructions apply to the product shown below. Styles may vary.

PARTS SUPPLIED

1x Battery-free Glass Scales

IDENTIFICATION

(Image for illustrative purposes only)

This product is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have had supervision or instruction concerning use of the appliance by a person responsible for their safety.

USE

- Turn the scales over.
- Select the desired units for the weight to be displayed by pressing the unit button.
- Turn the scales back over and place on a hard floor.
NOTE: the accuracy of this product may be affected when used on soft floors/ surfaces.

To turn the scales on, firmly press the display once with your foot. If the display does not illuminate, or not enough force is applied, the display can be pressed repeatedly to power it on.

- Wait until "0.0" is displayed, and then step on the scales.
- After the measured weight is displayed, step off the scales. The scales will automatically 'zero'. After one minute, the scales will automatically power off.

CARE

- Before cleaning, ensure the product is switched off.
- Use a warm damp cloth to clean the product.
- Do not immerse the product in water or any other liquid.
- Do not use rough or abrasive cleaners.
- Do not exceed the maximum weight limit of 180KG/396lbs.

CONFORMITY WITH DIRECTIVES

Conforms with relevant European Directives

ENVIRONMENTAL PROTECTION

- (WEEE) Waste Electrical and Electronic Equipment

Waste electrical products should not be disposed of with household waste. Please recycle where facilities exist. Check with your Local Authority or retailer for recycling advice.
